

earth to BOCA!

A CELEBRATION OF MUSIC AND NATURE

December 3, 2022

MARK YOUR CALENDAR for this special date as The Symphonia will be striking a chord for climate change by bringing the artistic and environmental worlds together for **Earth to Boca! A Celebration of Music and Nature**, featuring:

- 🎵 **Mini-Eco Fair** with representatives from our local environmental organizations and the City of Boca Raton and a **VIP Reception**.
- 🎵 **The SYMPHONIA's Chamber Orchestra World Premiere of Terra Nostra**, an award-winning multimedia Symphony composed by Christophe Chagnard, that combines stunning visuals (film by Charlie Spears) with the power of music to explore the impact and challenges of climate change.

** Terra Nostra is a production of Earth Creative. Composed by Christophe Chagnard. Film by Charlie Spears.*
- 🎵 **Panel Discussion** made up of representatives from our environmental partners, who will take questions and comments from audience members. The panel will be moderated by composer, **Christophe Chagnard**.
